

# Ganesha comes calling

**A**t Jimmy and Delna Mistry's poolside do there was a cosy gathering of well wishers and friends. Spotted among those present were Satish Mathur, Amarjit Singh Jhandwal and painter Uday Raj Gadnis, looking dapper in a blue *salwar*. No one could take their eyes off the state of the art décor and of the place. Later in the evening, Bejan Daruwala strolled in together with his companion Tehmi and presented Jimmy with a statuette of Ganesha.
